

# I Won't Gove Up - Jason Mraz

When I look into your eyes

It's like watching the night sky

Or a beautiful sunrise

There's so much they hold

And just like them old stars

I see that you've come so far

To be right where you are

How old is your soul?

Well I won't give up on us

Even if the skies get rough

I'm giving you all my love

I still looking up

And when you're needing your space

To do some navigating

I'll be here patiently waiting

To see what your find

Çause even the stars they burn

Some even fall to the earth

We've got a lot to learn

God knows we're worth it

No, I won't give up

I don't wanna be someone who walks away so easily  
I'm here to stay and make the difference that I can make

Our differences they do a lot to teach us how to use  
The tools and gifts we got yeah, we got a lot at stake

And in the end, you're still my friend at least we did intend  
For us to work we didn't break, we didn't burn  
We had to learn how to bend without the world caving in  
I had to learn what I've got, and what I'm not  
And who I am

I won't give up on us  
Even if the skies get rough  
I'm giving all my love  
I'm still looking up  
Still looking up.
