

## September Song - JP Cooper

Our love was strong as a lion  
Soft as the cotton you lie in  
Times we got hot like an iron  
You and I

Our hearts had never been broken  
We were so innocent darling  
We used to talk 'til the morning  
You and I

We had the mixtape on every weekend  
Had it repeating, had it repeating

Ref:  
You were my September song, summer lasted too long  
Time moves so slowly, when you're only fifteen  
You were my September song, tell me where have you gone?  
Do you remember me, we were only fifteen

And I, I remember the chorus, they were singing it for us  
You were my September song, tell me where have you gone?  
Do you remember me, we were only fifteen

Sometimes I think that I see her  
Face in the strangest of places  
Down on the underground station  
Passing by

I get a mild sense of danger  
Feel like my heart couldn't take it  
'Cause if we met we'd be strangers  
You and I

Still I play that mixtape every weekend  
Got it repeating, got it repeating
